HTTYD poem

Dawn was cracking

Mad men were hacking

Dragons were raiding

Lives were fading

.

The deed was done

Defying the instinct to run

The purpose was made

The map was laid

.

The Gronckle was released

The great big beast

One remained

And another gained

.

A friendship was won
Out in the sun
His head turned away
Led to a new day

.

He became a Viking
Became respected in the ring
But to no avail
His purpose no longer to prevail

.

His father came home
They talkedâ€¦ alone
He was finally proud
And joined his son's crowd

.

The dreaded day soon came
As did a dragon who was tame
But enough said
The villagers wanted them dead

.

The journey to the nest
Showed hiccup's best
He saved the day
But with a price to pay

.

He woke up later
His fame was greater
Dragons and Vikings together
From now till
forever

****so I was looking at the stories I favorited and noticed a poem in it. I then saw a few more good httpyd poems and realized that there weren't enough httpyd poems out. Just a quick little poem, I swear this is the easiest thing I've ever done, and I urge you all to try believe me, poetry is a lot easier than its made out to be. I wrote this to put in my community: HTTPYD poems.****
